Public Draft

Economic Sustainability Plan for the Sacramento-San Joaquin Delta

Delta Protection Commission

Public comments are welcome on the First Public Draft Economic Sustainability Plan for the Sacramento-San Joaquin Delta. Please submit your comments to: espcomments@pacific.edu

THIS IS A DRAFT DOCUMENT

This document is under development. Additional content will be added and further revisions made as research and consultation continues.

Some figures and tables are under development. Citations and references are incomplete and being developed on a constant basis.

Table of Contents

List of Figures.....	5
List of Tables.....	6
Chapter 1: Introduction.....	7
Part One: Background and Context for the Economic Sustainability Plan.....	12
Chapter 2: Overview of the People and Economy of the Delta.....	13
1 Overview and Key Findings	13
2 The People of the Delta	14
2.1 Demographic Conditions and Trends.....	14
2.2 Housing Trends	19
2.3 Labor Force Participation and Commute Patterns	20
3 Baseline Economic Conditions and Trends in the Delta	21
3.1 Employment Growth by Sector.....	21
Location Quotient Analysis	23
3.2 Export Orientation	24
Chapter 3: Review of Key Policies and Planning Processes	25
4 County General Plans and the Delta	26
4.1 Contra Costa County	26
4.2 Sacramento County.....	28
4.3 San Joaquin County	30
4.4 Solano County.....	31
4.5 Yolo County	31
5 Delta Protection Commission Land Use and Resource Management Plan.....	32
6 State of California Planning for the Delta.....	34
6.1 Delta Vision	34
6.2 Sacramento-San Joaquin Delta Conservancy	35
6.3 Delta Reform Act of 2009	35
6.4 Delta Stewardship Council Delta Plan.....	36
6.5 The 2012 Delta Plan (Delta Plan).....	36
7 Bay Delta Conservation Plan	37
8 Conclusions	37
Chapter 4: Flood, Earthquake and Sea-Level Rise Risk Management.....	39
1 Overview and Key Findings	39
2 Background.....	40
3 Status of Delta Levees.....	47

3.1 Categories of Levees	47
3.2 Levee Standards	53
3.3 Previous Studies of Delta Levees	57
4 Risk-Reduction Strategies	61
4.1 Improve the robustness of the existing levees	61
4.2 Improve flood-fighting and emergency repairs after earthquakes	64
4.3 Improve immediate response to breaches, repair, and draining of flooded islands	64
4.4 Current planning efforts.....	65
4.5 Summary	66
5 Levee Improvement Strategies and Funding	66
Part Two: Analysis of Key Economic Sectors in the Delta	72
Chapter 5: Framework for Analysis.....	73
1 Baseline Scenario	73
2 Isolated Conveyance Scenario	74
3 Habitat Conservation Scenarios	76
4 Levee Scenarios	77
5 Regulatory Scenarios.....	78
6 Delta Vision Strategies.....	80
Chapter 6: Agriculture	81
1 Overview and Key findings	81
2 Current Status and Trends.....	82
2.1 Mapping Delta Agriculture	82
2.2 Crop Categories	84
2.3 Delta Agricultural Acreage.....	84
2.4 Delta Agricultural Revenues.....	88
3 Outcomes and Strategies Under Baseline Conditions	90
3.1 Long-run Forecasted Land Allocation	90
4 Impact of Policy Scenarios.....	93
4.1 Salinity Impacts of Isolated Conveyance Facilities.....	93
4.2 Loss of Agricultural Value from Habitat Conservation Scenarios	97
4.3 Loss of Agricultural Value from Open Water Scenario	102
5 Economic Impact of Delta Agriculture	102
5.1 Animal Production in the Delta	102
5.2 Local Source Dependent Food and Beverage Manufacturing.....	103
5.3 Economic Impact Estimates	104
6 Other Agriculture Issues	106

Chapter 7: Recreation and Tourism	108
1 Overview and Key Findings	108
2 Introduction	109
3 Current Status and Trends.....	110
3.1 Understanding 'Delta as Place' Today	110
3.2 Existing Physical Conditions	111
3.3 Existing Operations Condition	120
3.4 Visitation and Demand	121
3.5 Economic Impact/Benefits.....	129
3.6 Trends	134
3.7 Key Findings.....	137
4 Outcomes and Strategies under Baseline Conditions	138
4.1 Opportunities and Constraints	138
4.2 Principals and Goals	142
4.3 Recreation Enhancement Strategy	143
4.4 Potential Operational Solutions	147
4.5 Visitation Potential.....	149
4.6 Economic Potential.....	150
4.7 Key Findings.....	151
5 Impact of Policy Scenarios.....	151
5.1 Policy Scenarios Impacts on Recreation Potential	151
5.2 Impact Analysis and Mitigation Potential.....	156
5.3 Key Findings.....	158
Chapter 8: Infrastructure	159
1 Overview and Key Findings	159
2 Transportation.....	160
3 Energy.....	164
4 Water Issues for Delta Communities	166
Chapter 9: Legacy Communities.....	169
1 Overview and Key Findings	169
1.1 Opportunities and Strengths.....	170
1.2 Constraints and Challenges	170
1.3 The Vision for Clarksburg, Walnut Grove, and Locke	171
1.4 Implementation.....	171
2 Current Status and Trends.....	171
2.1 Clarksburg	172

2.2 Walnut Grove/Locke	187
2.3 Other Legacy Communities	198
Part Three: Integration and Recommendations	206
Chapter 10: Key Findings and Recommendations.....	207
Overview.....	207
Part I: Existing Conditions	207
Overview of the People and Economy of the Delta	207
Review of Key Policies and Planning Processes.....	208
Flood, Earthquake, and Sea-Level Rise Risk Management	210
Part II: Key Economic Sectors, Legacy Communities, and Public Services.....	211
Framework for Analysis	211
Agriculture	212
Recreation and Tourism	213
Infrastructure	215
Legacy Communities	215
Chapter 11: Recommended Strategies and Policies for Economic Sustainability	218
Four Key Issues.....	218
Recommended Actions for Economic Sustainability	221

List of Figures

Figure 1 Map of the Primary and Secondary Zones of the Sacramento San Joaquin Delta	10
Figure 2 Age Distribution in the Delta.....	16
Figure 3 Race in the Primary Zone.....	17
Figure 4 Race in the Secondary Zone.....	18
Figure 5 Income Distribution in the Delta	19
Figure 6 Employment Growth Trends, 2002-2009	22
Figure 7 Distribution of Employment by Industry in the Delta	23
Figure 8 Delta Levees	41
Figure 9 The Historic Delta.....	44
Figure 10 Construction of Delta Levees	45
Figure 11 Construction of Dredger Cuts.....	45
Figure 12 Current Elevations of Delta Land Surface.....	46
Figure 13 Urban and Non-Urban Levee Evaluation Programs	49
Figure 14 All Islands Containing Critical Facilities.....	51
Figure 15 The Suddeth et al. Inland Sea.....	52
Figure 16 Example Delta Levee Cross Section.....	56
Figure 17 BDCP Map of Tunnel Conveyance	75
Figure 18 FMMP Delta Farmland Coverage	86
Figure 19 Agricultural Land Cover-2010.	87
Figure 20 Average Revenues per Acre	89
Figure 21 Probability of Long-run Transition to Truck Crops	92
Figure 22 Salinity Observation Stations	94
Figure 23 BDCP Conservation Zones	98
Figure 24 BDCP Restoration Opportunity Areas.....	100
Figure 25 Delta Recreation Zones.....	113
Figure 26 Delta Recreation Facilities.....	114
Figure 27 Delta Tourism Facilities	115
Figure 28 Delta Market Area and Competing Regions.....	122
Figure 29 Vessel Registration v. Population1980-2010	136
Figure 30 Employment in Legal Delta for Water-Based Recreation Sectors, 1989-2008.....	137
